

The Evacuation Storyboard Activity

This activity is an opportunity for pupils to communicate their knowledge and understanding of evacuation through a combination of drawing and writing.

The teacher should ask the pupils to draw and write their storyboard to communicate their understanding of evacuation. Starting from whatever point they wish to (from the announcement of commencement of evacuation, from home or the station). The children should create a drawing, accompanied by a written explanation.

Name _____

Storyboard of Evacuation from town to the countryside.
